

List of supplemental materials for SAX PROSHOP WEEK 1: "BASICS DONE RIGHT: A 5-DAY INTENSIVE VIRTUAL LEARNING EXPERIENCE"

These more common household items will help you get the most out of your "Done Right" tool block and may be referenced during the virtual class. You might already have some of these items around the house- solvents, butane and sandpaper are available at your local hardware store, or their online outlets.

- Q-tips
- Paper Towels
- Dawn Dish Soap
- Shop Rags
- Soft Bristled brush (old toothbrush will work!)
- acetone or denatured alcohol
- PB Blaster / Corrosion Cracker
- Can of butane for torch
- Sheet of 400 Grit Sandpaper
- Single Edge Razor Blades
- Super Glue
